Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

He works all things together for the good, to those who love God and are the called according to His purpose — Romans 8:28

I can juggle two balls, but only just barely. Juggling three balls is a lesson in futility. According to the Guinness Book of World Records, the most balls juggled is 11 held by Alex Barron (UK). That's quite a feat to manage to throw, catch, throw up again 11 balls without any bouncing into one another. Yet God has designed the universe, even our very solar system in such a way that you don't see Jupiter smashing into Venus, or Mercury with Pluto. God is the Master Juggler. It is able to amaze us even more by juggling the free will choices to men to accomplish His will. For the Christian, He is committed to work all things together for our good and His Glory. How much is left over after the word "all"? Jesus said it is His Father's GOOD pleasure to give us the Kingdom. In verse 29, we are told what the ultimate "good" is for the Christian. The ultimate "good" is to conform us into the image of His Son. That's really good and He can juggle all circumstances towards that purpose. Oops is not in God's vocabulary. Aren't you glad? All of those "hanging chads" in your life that seem to have no purpose is working for you a far more exceeding and eternal weight of glory. He is surely able to do exceeding more that we can ask.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
