- ◆ **Thought for the Day:** "Many Bible passages (such as Luke 13:3 or Acts 2:38) issue a call for repentance. Repentance? The very thought stops our hearts with chilling honesty, for it insists that we come clean before we set out to execute life's important choices. Repentance demands that we choose a life of holy living." —Calvin Miller

Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

Love...thinks no evil (1 Corinthians 13:4-5)

The word translated "thinks no evil" here means to hold no record of wrong. Love does not reckon up or calculatingly consider the evil done to it. Other translations translate it so, "love holds no record of wrong." That's a tall order, Lord. How many of us can say we love to that degree? Yet, there is someone I know that doesn't hold a record of wrong. You know who I'm talking about, the one who sticks closer than a brother. The one who has taken away the handwriting of ordinances that were against us, which were contrary to us and nailed it to the cross, having forgiven ALL trespasses and sins. How many of our sins were still yet future when Christ died on the cross? Hint: ALL of them. He has removed our sins as far as the east is to the west. On a computer, when we erase a file, it doesn't actually erase it. It only deletes the first letter of the file, but it's still there. With a good file retrieval program, you can bring it back up. There are programs that can erase files completely and that's just what Jesus did; He erased it completely. He has thrown our sins into the depths of the sea and put up a sign, no fishing! How far is the east from the west? As far as one scarred hand to the other side. Praise God he holds no record of sins.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
