Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

I will praise you, for I am fearfully and wonderfully made (Psa 139:14)

David knew what our modern day scientists refuse to admit. We are fearfully and wonderfully made. We are not the product of purposeless, undirected, natural processes. Notice those three words: fearfully, wonderfully, made. We were fearfully made. We were wonderfully made. Consider the odds of just a single protein coming together by pure, undirected chance. The odds are 1 in 10 to the 164th power. A single cell coming together by chance is even more extraordinary. The probability of a single cell coming together by chance is 1 in 10 to the 340 millionth power. That's 1 with 340 million zeros after that. That's an incredible BIG number. To put in perspective, the chance of finding one grain of sand out of the entire observable universe filled with sand is only 1 in 10 to the 94th power. Scientists tell us that anything that is 1 in 10 to the 70th power is operationally impossible. The same God who created you is the same God who saves you.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
