Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

He also made the mercy seat of pure gold; two and a half cubits was its length and a cubit and a half its width. (Exodus 37:6)

A cubit was approximately 18 inches. We are told the length and width but not the depth. Folks, that's a ton of gold! Not to mention the amount of gold used for the cherubim. Sometimes in the Bible we are told more by what is *not* mentioned. One example is in Genesis where Isaac was not mentioned as coming down off the mountain with his father, Abraham. Isaac was a type of Christ in the Bible. Jesus said, Abraham rejoiced to see my day and saw it! The next time we see Isaac is when he receives his bride, so too signifying Jesus' receiving His bride, the Church. My favorite part is that the *depth* is not mentioned regarding the dimensions of the mercy seat. God spoke above the mercy seat to Moses between the cherubim. There was a reason why it was called the Mercy Seat. God is a God of mercy and it was the mercy of God that He did not consume the people for their sins. The omission of the depth in the dimensions signify you cannot plumb the depths of God's mercy for your and for me. His mercies are new every morning, great is His faithfulness.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
