## Announcements

- ◆ **Thought for the Day:** "The difference between perseverance and obstinacy is that one often comes from a strong will, and the other from a strong won't" — Henry Ward Beecher
- ◆ March 19th: Communion/Agape Supper

Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

But God is faithful who will not allow you to be tempted beyond that which you are able (I Corinthians 10:13)

Automobile makers take their cars through a stress test to test the cars ability to perform under abnormal conditions to see how they stand up. Doctors use cardiac stress tests to measure the condition of the heart and how well it responds under heightened conditions. Trials and tribulations are God's stress tests for us. It measures how we respond to negative conditions. One Pastor made the observation that trials are like tea bags. You don't know how strong you are until you've steeped in hot water for a period of time. It shows us who we are under difficult conditions. Often times we don't know how much we are capable of until we are placed under adverse circumstances. Christian, even though you go through trials, know you are under the watchful eye of a faithful, loving Sovereign King. God is faithful. Notice the omnipotence of God. The faithful God will not allow temptation to go beyond what you are able. Just like Shadrach, Meshach and Abednego as they went through the fiery furnace. Their only loss were the bonds that held them. God was in their midst.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
