Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

Keep yourself in the love of God

My cat loves to be in close proximity towards me because she knows that I'm going to love on her and scratch her head. So, because she likes to have her head rubbed, she positions herself to be near me so that I would love on her. That's what it's like in keeping ourselves in the love of God which is in Christ Jesus. God desires to love upon you and to bless you. Ever wonder why we go through trials and tribulations? I believe that God allows it so as to compel us to come to Him. "Hey, son, haven't heard from you for a little while, what can I do for you?" The only reason you're not getting blessed right now is because you're not in close proximity to the Lord. Satan is like a roaring lion seeking whom he may devour. The lion only devours those that are the stragglers of the herd, that are on the fringes. These are the ones the lion knows he can pick up a quick lunch. So too, Satan picks on and devours those who are not close to the LORD. They are on Satan's menu. They are in his cross hairs. Do you want to be blessed? Stay close to the LORD that He may feed you, protect you, to love on you. Draw near to God and He will draw near to you.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.

PARKING SERVICE

If for any reason you would rather not try to maneuver the hill just pull up to front door and ask an usher to park your car for you. Let him know if you'd also like him to retrieve it for you when you're ready to leave.

TITHES & OFFERINGS

If you arrived after the Offering was received you may put your tithe and offering in a dated envelope [with your name if you wish to receive tax credit] and place them in the AGAPE BOX in the back of the sanctuary. Likewise with Special Offerings: Please designate where the offering is to be used, if you so wish.
