Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

As far as the East is from the West, so far has He removed our transgressions from us (Psa. 103:12)

If there is one verse that illustrates the complete forgiveness of sin, I can think of no other verse than this one. Aren't you glad He didn't say as far as the North is from the South? If you took a plane heading North and you flew over the North Pole and kept going, where will you be heading at that point? South! There is a limit of how far you can travel North before heading South and vice versa. Yet, one can travel East and never find West and vice versa. You can travel for all eternity if you want to. You won't hit West—ever. That's how far God has removed our sins in Christ. There is no record, no file, no computer recovery program can find it. It's gone. Forever! He takes the handwriting of ordinances which were against us, which were contrary to us and He has taken it out of the way having nailed it to His Cross having forgiven us ALL trespasses and sin. How many are left over? God says, I even I am He who blots out your transgressions for my sake and I will not remember their sin.

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
