Your words were found, and I ate them. And your word was to me the joy and rejoicing of my heart (Jeremiah 15:16)

For you have magnified your Word above your Name (Psa 138:2)

What's in a name? Names in the Bible were more significant than they are today. What spiritual significance can be drawn from Bob? God often changed a person's name to fit the person's character, or mission or an event surrounding their lives. Abram, for example, was changed to Abraham, which means Father of Many Nations. Jacob, which means "heel catcher" was changed to Israel, which means Man Governed by God. Jesus means God is Salvation. God's Name reflects His nature, His character, His being. Moses was given the blessing of hearing His Name declared in Exodus 34. "Now the LORD descended in the cloud and stood with him there, and proclaimed the name of the LORD. The LORD, the LORD God, merciful and gracious, longsuffering, and abounding in goodness and truth, keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty" (Exodus 34:6-7) What a Name! That's who He is. God, the Eternal One, the Immutable One, who is the same yesterday, today and forever changes not is the One who has called you out by His marvelous Grace and will also give you a new name—a name to reflect your new destiny, your new nature. Praise God

"Now therefore, we are all present before God, to hear all the things commanded you by God." - Acts 10:33 To avoid distracting others please turn off cell phones before the service begins. Thank you.
