

Let's Study Hebrews Together; **Heb 2:10-18**

1. Please put **V10-13** in your own words; The writer to the Hebrews is telling us the one who created all things, and He in whom all things consist can surely be trusted for our salvation. He suffered not only for our salvation, but also our sanctification.

a. Who is the captain of our salvation, and what has He done for us? Jesus Christ is the Captain of our salvation and he made a way where there was no way that our sins might be forgiven and we can be in full fellowship with the LORD.

William Ernest Henley; *Invictus (Lat for unconquered)* Is in direct contradiction to this verse.

b. How are those sanctified, and those being sanctified one? Those saved past, present, and future are all sanctified in the LORD as one body which will be united in eternity.

c. How are we as believers to declare His Name and sing His praises? By our life. It is obvious not only to others but our own heart when we live as believers. Our life testimony sings praises to His Name.

d. Who are the children God has given us? Those we have had the privilege of leading to the LORD are our children in the sense that God used us to plant the seed of truth in their heart.

2. Please put **V14-18** in our own words; Because men are sinners unable to bring redemption to his own soul, being a son of Adam, there had to be a second Adam, one who was flesh and blood but would never fall to sin that as a sacrifice, the perfect Lamb of God He would be able to pay the full price of atonement for all men.

- a. How did Jesus take part in flesh and blood and win power over death that came by the devil. **He was born of woman like any man, He had the DNA of a human, with all its frailties, and fleshly temptation, as only a being fully human could He defeat the work of Satan by being a man who never fell to sin, or temptation of the devil.**
- b. How have we been freed from the fear of death? **Fear of death has to do with sin and punishment where in Jesus Christ sin is forgiven, and all fear of punishment removed.**
- c. What do you make of; V16; For indeed He does not give aid to angels, but He does give aid to the seed of Abraham. **First the seed of Abraham simply means those who live by faith, you and I who believe, but to the fallen angels he does not provide a chance to repent because they experienced all the glory of God and heaven and rebelled.**
- d. How does being made like His brethren make Him a faithful and merciful High Priest? **A priest is one who stands the gap between man, and God, for the purpose of reconciliation, and only Jesus full of mercy can do this. Mercy because we do not deserve it.**
- c. We are told that Jesus was tempted, and therefore is able to help us who are tempted, what does that mean? **Simply put He understands causing Him to have pity on us, giving us the power of the Holy Spirit to have victory.**
