

And according to the law almost all things are purified with blood, and without shedding of blood there is no remission. (Hebrews 9:22)

Blood. Type in the word "blood" using the NKJV and you will find blood is mentioned 424 times in 357 verses. Blood is a central theme in the Old and New Testament. Here, we find that without the shedding of blood there is no remission of sin. In Leviticus God says, "For the life of the flesh *is* in the blood, and I have given it to you upon the altar to make atonement for your souls; for it *is* the blood *that* makes atonement for the soul" (Leviticus 17:11). The life of the body is in the blood. When you get sick and go to the Doctor, what's the first thing the doctor orders? A blood test. It tells you how your cholesterol is, your blood sugar, red blood cell count, white blood cell count, anemia, cancer, etc. They can tell if someone has a blood disease such as Leukemia or is HIV+. Sadly, we all have a blood disease. We are all S.I.N.+ There is no human cure for that disease. It requires a spiritual one which God has provided through Jesus Christ. Through Christ's blood we have redemption. It forms the basis of the New Covenant (Matt. 26:28). Through His blood we have justification, forgiveness of sin, reconciled to God, have peace with God through the blood of His Cross. What can wash away my sin? Nothing but the blood of Jesus. Oh precious is the flow that makes me white as snow. Though your sins be as scarlet they shall be white as snow, though they be red like crimson, they shall be white as wool.
