

*"Eye has not seen, nor ear heard, Nor have entered into the heart of man  
The things which God has prepared for those who love Him." (1 Cor. 2:9)*

When I was a kid on Christmas day, my parents would have us stand at the top of the steps of our house while they took home movies to capture our excitement as we raced down the steps to see what Santa had left for us. Our parents, of course, goaded us and stoked our excitement to the level similar to the furnace meant for Shadrach, Meshach and Abednego heated seven times hotter than normal. We were hearing them crying out saying oohhh! Aaaaah. We could scarcely contain ourselves. In the same manner Jesus said I go to prepare a place for you. It's been said it only took six days to create the universe. Imagine what it'll be like with over 2,000 years to prepare! Can you imagine the excitement as Jesus ushers us in to reveal the Kingdom of God and all that He has in store for us? Paul was treated to a sneak peek as he was translated and said he heard words inexpressible which is not lawful for man to utter (2 Cor. 12:4). Darn. I guess we'll have to wait. Yet, Paul did give us some hints. He said in Ephesians, "that in the ages to come He might show the exceeding riches of His grace in His kindness toward us in Christ Jesus. He said also "our light affliction, which is but for a moment, is working for us a far more exceeding *and* eternal weight of glory, and that that the sufferings of this present time are not worthy *to be compared* with the glory which shall be revealed in us. The best is yet to come.

## FACTS & FOREKNOWLEDGE

The Bible and history reveal that countless people have endangered or even sacrificed their lives for another. This reality is completely at odds with Darwin's theory of the survival of the fittest. Yet, evolution has no explanation for this phenomena.

Read John 15:13 and Romans 5:7-8

## QUOTE OF THE WEEK

"God is so vastly wonderful, so utterly and completely delightful, that He can, without anything other than Himself, meet and overflow the deepest demands of our total nature, mysterious and deep as that nature is." ~ Author unknown
