

And a voice came out of the cloud, saying, "This is My beloved Son. Hear Him!"

Wow! I'll bet the Apostles were not expecting this to happen. It was enough of a sensory overload to see Jesus transfigured before them. Now they just heard the voice of the Father. So profound was this experience that Peter refers back to it in his second epistle. "For we did not follow cunningly devised fables when we made known to you the power and coming of our Lord Jesus Christ, but were eyewitnesses of His majesty. For He received from God the Father honor and glory when such a voice came to Him from the Excellent Glory: "This is My beloved Son, in whom I am well pleased." And we heard this voice which came from heaven when we were with Him on the holy mountain. The Apostles were both eye and earwitnesses. John writes, That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, concerning the Word of life— (1 John 1:1). They not only read the testimony of when the Israelites heard the voice on Mt. Sinai but now they themselves heard it with their own ears! Why did God the Father grace them to hear His voice? Peter earlier said, Let us make three Tabernacles, one for you, one for Moses and one for Elijah. All the prophets prophesied of Jesus. It was all about Jesus. He was the final revelation of God. God the Father reminded them, this is my Son. Hear Him! Mary in John 2 told the servants, Whatever He tells you to do, do it. Are you listening to Him?

Scientific Facts in the Bible

In 1500 BC God told Job, "*Can you send out lightnings, that they may go, and say to you, 'Here we are!'*" [Job 38:35]? The Bible is informing us that light can be sent, and then manifest itself in speech. Did you know that radio waves travel at the speed of light? This is why you can have instantaneous wireless communication with someone on the other side of the earth. Science didn't discover this until 1864 when "British scientist James Clerk Maxwell suggested that electricity and light waves were two forms of the same thing" (Modern Century Illustrated Encyclopedia).

Pre-Approved

"Even before He made the world, God loved us and chose us in Christ to be holy and without fault in His eyes."

Just fill out the application:

"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us, " (1 John 1:9-10).

"But as many as received Him, to them He gave the right to become children of God, to those who believe in His name: who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God," (John 1:12-13).

"Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God." (John 3:3)

Verse Of The Week

"May the Lord answer you in the day of trouble; May the name of the God of Jacob defend you; May He send you help from the sanctuary, and strengthen you out of Zion," Ps 20:1-2.

Quote Of The Week

Oh, God forbid that my heart should be affected or taken with anything in comparison with Christ. The more I know Him, the more I love Him; the more I know Him, the more I desire Him; the more I know Him, the more my heart is knit unto Him. His beauty is captivating, His love is enveloping, His goodness is attracting, His manifestations are enticing, His person is enamoring, His gracious looks invite me, His pleasant voice delights me, His precious Spirit comforts me, His holy word rules me; All these things make Christ to be heaven unto me." ~ Thomas Brooks
